

GREEK ORTHODOX ARCHDIOCESE OF AMERICA  
GREEK ORTHODOX LADIES PHILOPTOCHOS SOCIETY, Inc.

November 2018

Dear Grant Applicant,

The **Greek Orthodox Ladies Philoptochos Society, Inc.** is the philanthropic arm of the Greek Orthodox Church in America and is a nonprofit organization headquartered in New York City. Since 1931, our multi-faceted mission has included aiding all those in need, the ill and disabled, and offering our financial assistance to worthy programs and individuals.

In 1989, our organization established the **Children's Medical Fund** for the specific purpose of aiding critically ill children. Since that time, \$3.59 million has been distributed pursuant to a grant process. We support children's health care organizations at the forefront of innovative programs and services, we provide financial assistance for the medical care of critically ill children whose families are either uninsured or under-insured, and we provide funding for hospital equipment, programs and research which benefit all children with serious medical or surgical diagnoses.

Your organization, program, or project has come to our attention as a potential applicant for a 2019 Children's Medical Fund Grant. Please review the attached Grant Request Form. If you meet the eligibility requirements and are interested in obtaining our assistance for your program, we invite you to submit a grant request for our consideration. **All grant requests must be submitted by email by 5 pm central time on Friday, May 31, 2019.**
