GIVING TREE

September–October

OPEN
the
DOORS
CAMPAIGN

The Philoptochos Chapter Giving Tree was unveiled at the 2012 National Philoptochos Convention and was immediately embraced by our Delegates. On the Convention floor, over 120 Chapters pledged \$1,000 to reserve their Chapter Leaf to enshrine their Chapter's name at the Center. In a great showing of generosity some Chapters and Stewards sponsored a leaf for a small, sister Chapter.

The Philoptochos Center of Philanthropy shall be your home. It will serve every Chapter in America!

- Every Chapter's name will be permanently displayed at the Center
- Every Chapter will be proudly represented on the tree
- Every Chapter's donation will be exactly the same: \$1,000 per leaf

We are honored to announce an immense demonstration of generosity to our beloved Philoptochos assisting us to Open the Doors. The *Mary Jaharis Challenge Gift* will match every \$1,000 Leaf with another \$1,000 up to a total of \$500,000. The Chapter Leaves and the munificent *Mary Jaharis Challenge Gift* will generate the \$1,000,000 needed to complete our purchase.

This initiative will conclude our major fundraising for the Center!

To reserve your Philoptochos Chapter Giving Tree Leaf **complete the attached form** and return to National Philoptochos by October 25, 2012. Form may also be used to sponsor a small, Sister Chapter.
