GREEK ORTHODOX LADIES PHILOPTOCHOS SOCIETY, Inc.

Dear Philoptochos Sisters,

Χριστός Ανέστη!

One of the highlights at the 2018 National Philoptochos Biennial Convention in Boston will once again be The National Awards Program. Chapters will be recognized for their projects and achievements.

The Awards Program showcases the dedication, devotion and the perseverance of members who encompass the body of Philoptochos. This year the Awards Program will feature:

- **Chapters who have fulfilled 100% of their National Philoptochos Commitments, for the years 2016 and 2017**
- **Chapter Membership Growth, increase from January 1, 2016-December 31, 2017**
- **Most Successful Fundraiser**
- **Most Meaningful Chapter Program**
- **Best Inreach Project**
- **Best Outreach Program**

An Award Application needs to be electronically completed and submitted with a photo of the project. Photos of 1st and 2nd place winners will be utilized in a presentation at the conference. The Awards Committee will review each entry using a specially designed rubric for evaluation.

Please note that a project can only be submitted for one category.

We thank you for your interest and participation in the 2018 Awards Program. The Awards Program continues to be a valuable tool for sharing information and projects with your Philoptochos Sisters throughout our Nation.

Thank you and we look forward to seeing what wonderful projects and accomplishments your chapter has achieved since our last convention in 2016.

Looking forward to seeing you in Boston!

With Sisterly Agape,
