PROJECT: Healing House – is a Christ-centered long-term residential recovery program for women and their children to find safe haven, restoration and recovery from the wounds of addiction, prostitution, poverty and prison.

PROJECT SUMMARY:

To infuse Healing House with 1,800 volunteer hours with 180 unduplicated volunteers, and raise \$10,000+. The needs are great, and we served their women and children by providing on-site childcare and front office reception, professional empowerment classes for women, family dinners and Bible studies, off-site family field trips, and creation of a new library for use by all ages.
