

NATIONAL PHILOPTOCHOS SOCIETY PROGRAMS AND MINISTRY COMMITMENTS

Saint Basil Academy – Vasilopita Fund (January 2022)

Saint Basil Academy – Sisterhood of Saint Basil Academy Fund (April 2022)

In March 1944, Archbishop Athenagoras recommended that the Philoptochos Society purchase the 250-acre Rupert Estate in Garrison, New York, located on the shores of the Hudson River, directly across from the United States Military Academy at West Point. With that purchase, and with the establishment of the Academy of St. Basil, Philoptochos undertook the lasting commitment to the children who reside there. Today, Philoptochos remains a major financial supporter of the Academy through two ministry commitments:

- **Vasilopita**: Held in January by every chapter in the United States, this event provides a major source of funding for the Academy’s operating expenses.
- **Sisterhood**: The Sisterhood Fund provides for the ongoing needs of the children of the Academy, such as clothing, furnishings, equipment and other essentials for the dormitories and kitchens, as well as support for the Graduation ceremonies and special awards for students.

Social Services Fund – January 2022

Cancer and Other Major Illnesses Fund – January 2022

Following the recommendations of Archbishop Iakovos, Philoptochos has, since the late 1950s, focused on the implementation of important programs to benefit the Greek Orthodox community, including but not limited to the institutions of the church, but also programs assisting Orthodox families.

Since 1987, the National Philoptochos Office has employed a licensed Social Worker to assist the Greek Orthodox community in the United States, as well as Greek and Cypriot nationals. The Department of Social Services is a critical and vital component of the Society. The mission of the Department is to improve the quality of life of those in need, in a way that maintains the dignity and self-respect of the individual. Through confidential and professional services, the office provides outreach, education, information, support, motivation, advocacy, financial assistance, and referrals to local and broader resources.

As uncovered medical costs continue to be a key concern in the United States, the Philoptochos cancer and other major illness’ fund provides relief to members of our community, regardless of immigration status, so that they can focus on their health and health care needs rather than their financial challenges.
