CREATE A T-SHIRT DESIGN

Based on the information on Anti-Bullying you have received, create a slogan for a t-shirt.

Make a Message Bracelet

Here is a fun and easy way to make a Message Bracelet with your Anti-Bullying Message.

SUPPLIES: Alphabet Beads, 1MM Wax Cord, Scissors, Felt

Plan out your sayings and lay the beads out on the felt so they won't roll around.

Cut your wax cord to about 12" – shorter or longer depending on your wrist size.

Start by adding the back 'clasp' bead with a simple double knot towards the end of your cord.

Then off to the side of the middle of the cord, tie another knot – this will hold your saying in place.

Add your alphabet saying...

..and tie another knot to secure

To create the bracelet 'clasp', make a loop and then tie a knot.

Trim the excess off your last knot. The loop actually grabs onto the end bead to hold your bracelet in place.

And there you have it.

A fun and easy way to make a Message Bracelet.

Bullying Ice Breaker Activity – Toothpaste Tube

Never allow anyone to squeeze the happiness out of you!

You will need a large tube of toothpaste and a paper plate.

Ask each person in the group to give an example of hurtful words or actions.

As each example is given, squirt out some toothpaste onto the plate.

Then have all in the group share positive experiences and comments and ways to help others feel better.

Then have each person in the group take turns putting toothpaste back into the tube.

Observe that the toothpaste, once out of the tube cannot be put back. Just like hurtful words and actions, which can never be taken back or forgotten.

Bullying Ice Breaker Activity - Crinkled Heart

A powerful visual that hurtful words can never be erased.

Pass out a paper heart.

Ask people in the group for examples of hurtful things that people say or do.

As each example is given, crinkle the paper heart.

Then have all in the group share positive experiences or ways that people can help other feel good.

Then unfold the paper heart and try to flatten and straighten the crinkled heart.

Observe that the wrinkles, crinkles and folds, like hurtful words and actions, can never be erased or removed from the paper.

CRUMPLED PAPER • WOUNDED HEART

Choose your words wisely! Words can hurt!

Directions: Wrinkle paper and then try to remove wrinkles.

**You can't smooth out the paper. Wrinkles stand for

QUOTES FOR A POSITIVE LIFE

Excerpts from the late Andy Rooney, who used to be on the CBS Show 60 Minutes.

I've learned...That just one person saying to me "You've made my day!" makes my day.

I've learned...That being kind is more important than being right.

I've learned...That I can always pray for someone when I don't have the strength to help them in any other way.

I've learned...That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.

I've learned...That sometimes all a person needs is a hand to hold and a heart to understand.

I've learned...That it's those small daily happenings that make life so spectacular.

I've learned...That under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned...That when you plan to get even with someone, you are only letting that person continue to hurt you.

I've learned...That love, not time, heals all wounds.

I've learned...That the easiest way for me to grow as a person is to surround myself with people smarter & kinder than I am.

I've learned...That everyone you meet deserves to be greeted with a smile.

I've learned...That life is tough, but I am tougher.

I've learned...That when you harbor bitterness, happiness will dock elsewhere.

I've learned...That one should keep his words both soft and tender, because tomorrow he may eat them.

I've learned...That a smile is an inexpensive way to improve your looks.

I've learned...That when your newly born grandchild holds your little finger in his fist, you're hooked for life.

I've learned...That everyone wants to live on top of the mountain, but the happiness and growth occurs while you're climbing it.

I've learned...That the best classroom in the world is at the feet of an elderly wise person.

THINKING ABOUT FEELINGS

Everything you say & do can leave a lasting mark on someone's heart. Being bullied causes people to feel alone. Here is one way to show that someone cares. Write positive behaviors that make others feel good on the top half of the heart. The lower half of the heart is where you write negative behaviors that may be hurtful. This can include bullying behaviors, unkind comments, actions or things that might make bullying worse.

Remember that there are positive & negative behaviors that could have a positive or negative effect on friends, family and others.
